

## DELL 24 GAMING MONITOR | S2419HGF

**Slay any beast with your very own. Dominate with tear-free visuals enabled by FreeSync™**

### Have your game keep up

**Smooth gameplay:** Experience sharp, tear-free graphics with a swift refresh rate at 144Hz and AMD FreeSync™ for super smooth visuals.

**Leave lag behind:** Get blazing fast and responsive gameplay with minimum input lag at an extremely rapid 1ms response time.

### Make your own rules

**If looks could thrill:** Recon-blue metallic finishing complements Dell Gaming PCs for a unified look and gaming experience.

**Total versatility:** Supports AMD FreeSync™ and offers you the flexibility to game with the No-Sync fast refresh option on your existing hardware.

**Customize your advantage:** Personalize and preset up to three gaming profiles, in addition to three factory preset modes, with a gamer-g geared menu.

**Made to game your way:** With tilt, pivot, swivel and height adjustable features, you can find your ideal viewing position and game for long hours comfortably.

**Effortless Connectivity:** With the wide range of ports, hook up this Gaming Monitor to your PC, and add another secondary device – like your gaming console of choice – for simultaneous entertainment options.

**Maximum reliability:** Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty<sup>3</sup> period even if only one bright pixel is found.

### A brand you can rely on

As the No.1 monitor brand worldwide\* we take pride in our unyielding commitment to quality and the utmost satisfaction of our customers.

Minimize downtime with Dell's Advanced Exchange Service.<sup>2</sup>
